

5th International Conference “Integrated Management of Environmental Resources”

October 29, 2021 - Forestry Faculty of Suceava

Invitation Letter

We are pleased to invite you to the 5th Edition of the International Conference “*Integrated Management of Environmental Resources*”, scheduled on October 29, 2021 in Suceava, Romania.

The highlights of the scientific program are:

- **Forest Ecosystems and Landscape Ecology**
- **Silviculture and Forest Health**
- **Forest Assessment, Modelling and Management**
- **Environmental Economics and Policy**
- **Forest Operations Engineering and Forest Products**

We also invite you to inform your collaborators about our conference. On the website of the conference <http://www.silvic.usv.ro/imer2021> you can register on-line your contribution (oral or poster presentation) and you can find useful information about this meeting. The conference is organized by the Forestry Faculty of Suceava and supported by the Society for Silviculture and Environment.

It will be a great opportunity for all the participants to share experiences with peer colleagues in a friendly environment in the historic capital of the province of Bucovina.

We are looking forward to welcoming you at our University in Suceava,

Dr. Ciprian PALAGHIANU

Dean
